PROFESSIONAL OVERVIEW

Strategic and results-driven Project Manager specializing in .NET Core with over 10+ years of experience in designing, developing, and managing enterprise-level software solutions. Expert in full software development life cycle (SDLC), cloud-based solutions, DevOps automation, and performance optimization. Proven ability to lead high-performing teams and deliver scalable applications using cutting-edge technologies.

CORE COMPETENCIES

- Team Leadership & Mentoring
- Strong logical thinking and problem-solving abilities
- .NET Core, ASP.NET MVC, C# Development
- Database Management (PostgreSQL, SQL Server, MySQL)
- Distributed Caching (Redis)
- Frontend Development (Vue.js, JavaScript)
- CI/CD Pipelines (Drone, Docker)
- Web Servers (IIS, Nginx)

WORK EXPERIENCE

Project Manager

Descpro Technology Pvt. Ltd. | Feb 2022- Present

- Led a team of 15+ developers on enterprise projects using C#, .NET Core, ASP.NET MVC, PostgreSQL, Vue 3, Redis.
- Architected cloud-based solutions integrating Azure Data Factory (ADF) for data pipelines, improving data management workflows.
- Implemented Drone-based CI/CD pipelines integrated with Docker containers to automate builds, tests, and deployments.

Technology Lead

Infosys Limited | Dec 2019 -Jan 2022

- Maintaining and improving existing software solutions to enhance performance and functionality.
- Designed and implemented efficient database schemas, indexes, stored procedures, and optimized SQL queries.
- Monitored database performance using tools and logs, resolving bottlenecks and improving query performance.

Sr. Software Programmer

Descpro Technology Pvt. Ltd. | Jul 2014 – Nov 2019

- Analyzed and translated user requirements into functional specifications and technical solutions.
- Developed, debugged, and optimized application code to ensure reliability and maintainability.

SKILLS

Frameworks & Languages:

C#, ASP.NET MVC, .NET Core, LINQ, Dapper, VueJs, JavaScript, CSS

Databases:

PostgreSQL, SQL Server, MySQL, ClickHouse, Azure ADF

DevOps & CI/CD Tools:

Drone, Docker, Gitea, Git

Caching & Performance:

Redis, Performance Tuning

Web Servers:

IIS, Nginx

EDUCATION

MBA in Information Systems

Bharathiar University

2015 – 2016

B.Sc Computer Science

University of Calicut

2009 - 2012

ACHIEVEMENTS

NINJA Digital Award

Infosys limited

Sep 2021

INSTA Award (Quarterly)

Infosys limited

Jul 2021 - Sep 2021 &

Apr 2021 - Jun 2021

Top Performer

Descpro Technologies

2016-2017 & 2018-2019
